Remedy to the employment of child labor policy

PTK Fashion Package Design Co., Ltd. do realize the importance of the managements of child labor employment according to the law and regulations and social responsibilities of child labor employment. In case of mistaken in child labor employment due to false documentation from the child labor's resume, we have issued our remedy to the employment of child labor policy as follows :

1. Our company will stop hiring the child labor immediately once known the mistake of child recruitment.
2. Our company will call the child labor's parents for investigating of the necessity for sending their child to work in the company.
3. Our company will support the compensation policy by providing some educational fees to the child labor for his/her proper educations. Or considering recruiting the child's family members whom at the proper age for employment instead.
